Physical Education (PE) is scheduled twice a week. Students need to change into their sports uniform for their scheduled Physical Education (PE) classes. Large gender based changerooms are located within the Sports Hall. There are limited shower cubicles for privacy (as required).

Students are advised to neatly fold their uniform to maintain a neat presentation throughout the day.

The PE uniform includes a:

- Physical Education polo shirt with the school's logo (unisex).
- Physical Education shorts/trackpants with the school's logo (unisex)
- Piara Waters Senior High School hat with the school's logo.

Students are to bring their own sunscreen and a water bottle to all PE sessions.
